If you want to do something which will affect these criminal Israeli jews, then you can stop buying their goods <http://bdsguide.com/bds-list/> Some Jews boycott countries that don't kneel to the jewish demands. This is economic war and is used to control countries. btw these criminal Israeli jews are registered to do business in Australia <https://abr.business.gov.au/AbnHistory/View?id=84256486443> Download the image linked below, and spread, there are 5 important facts in the image:-

- 1 jews declare war on Germans, (which is obvious)
 - 2 The war was started by boycotting German goods in 1933
 - 3 There were 14 million jews on earth prior to WW2 (this figure essentially remained the same after WW2)
 - 4 there were only 600 000 jews in Germany, NOT 6 million,
 - 5 one good website listing the jewish products to boycott.

Never forget that Israel has threatened all of Europe with its nuclear WMDs

"In the event the Europeans opposed such a transfer, in order to survive Tel Aviv will be forced to destroy the European capitals with nuclear weapons,"

Most zionists don't believe that God exists, but they do believe he promised them Palestine.

Note: You should NEVER HATE THE JEW. Analogy - consider a poisonous snake (jew). If you encounter a snake you should be on your guard and take measures to protect yourself to ensure that the snake does not harm you in anyway whatsoever. This is known as 'self-defense', and you have the right to do anything needed to ensure your safety and your life. Simply knowing that there are poisonous snakes out there, should have you on your guard. However you should NOT hate the snake, because being poisonous is just part of the snake's nature. The jew can be considered similar to a poisonous snake, however its poison & methods of attack are much more numerous and subtle. As San Tzu said 'Know the enemy'. All evidence leads to their King being the Rothschild.

David Irving submitted to criminal jews

David Irving finally submitted to some criminal ruthless jews in 2006 / 2007. I have uploaded some of his talks in Chronological order. If you don't watch his presentations in Chronological order, then you will not pick up on this critical fact. However if you watch them chronologically, then it is obvious. without looking at his arguments / points, most people should be able to tell that he has been broken. The video which shows that he was forced to spew out the lie that Germans killed some jews for the 1st time, is:- David Irving Interview by a scumbag jew 2007

<https://www.bitchute.com/video/bwGkbkpOlPHK/> in every single presentation before that he was on fire and was destroying the jewish fairy tale of the holocaust.

So before you start criticising David or trying to counter his points, find out when the video was recorded, and then if it's after 2006, you can take what he says with a grain of salt, and everything before as being reliable. Remember that some jews are ruthless criminals that are masters of deception, hence I would not expect David to admit that he has submitted to the jews. This in no way lessen my views of him and his mammoth/heroic efforts and works to expose one of the myriad of jewish lies sold to us over the centuries. Start at the bottom of this list.

Jewish censorship / deceit / mind control

0. Deleting and banning comments on Bitchute. This is done by 'Disqus' (jewish) which is separate from Bitchute.

1. check out what they did with the short clip of Hitler at the end of this video

<https://www.bitchute.com/video/8XPESduDcnan/> I am sure that it will astound you. Everyone should watch this clip to understand the level of deceit that we are exposed to. This is the 1st part of:

Dennis Wise 3rd series - The Secret Masonic Victory of World War Two <https://www.bitchute.com/Truthwillout/>

2. Other techniques were used on this video:- Ursula Haverbeck - Panorama Interview (proper eng subs) 2015

<https://www.bitchute.com/video/Do1kmkupXOor/> never trust a jewish translation !!!

3. The ULTIMATE in JEWISH censorship is unbelievable and it reveals how truly ruthless and psychotic these scumbag jews are. Goto my video <https://www.bitchute.com/video/NzNxHYtu4wA7/> and read my description or read/listen to the book.

4 Germany students only had one event where they burnt jewish books (on porn & communism), and the jews made use of that one event to demonize Hitler/Germans. After the International jews won WW2, they banned 34 645 book Titles, and every school text-book published between 1933 - 1945 !!! MCP Eustace Mullins 23 Oct 2006

<https://www.bitchute.com/video/Ghul5db7Viuw/>

5. This is not new, never forget that it was JEWS who burnt down the library of Alexandria 2 000 years ago !! They were criminals and terrorists and the enemy of mankind back then. Nothing has changed.

6. Brother Nathanael covered some methods also: The Amazon Book Burning 25 March 2017 <https://www.bitchute.com/video/lVeChOWNQYHk/>

7. An Israeli jew has recently written a book on how to deceive / stooge people into believing that the jews are innocent victims. This involves using the media as a tool/weapon to create this false image. The Israel Project - The Global Language Dictionary 2009 <https://www.bitchute.com/video/H1sFTn3k2qVh/>

8. Jews understood the importance of using words/writing as a weapon, 2 500 years ago and hence understand the importance of controlling words. 589BC jews chose to fight, but not with spears & swords

<https://www.bitchute.com/video/cXEt2HTGm7oV/>

9. Plato - The Cave (400 BC) <https://www.bitchute.com/video/ZxTU3xAjxSvQ/>

Quotes

"The Jews are all through government, and we have got to get in those areas. The government is full of Jews, second, **most Jews are disloyal. You can't trust the bastards. They turn on you.**"

President Richard M. Nixon, Nixon Tapes, July 3rd 1971.

"We Jews are going to bring war on Germany." — David Brown, President of American Hebrew, in 1934, quoted in Edmonson's I Testify, page 188.

"Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child." (Jewish professor A. Kulischer, October, 1937)

"World War II was a Jewish plot to make way for the foundation of the Jewish State in Palestine." (Joseph Burg [a Jew]).

"The Second World War is being fought for the defense of the fundamentals of Judaism." — The Chicago Jewish Sentinel, October 8, 1942.

"Germany is our public enemy number one. It is our object to declare war without mercy against her." Bernard Lecache, President of the World Jewish League
